EARTH SCIENCES

- Kazantseva Tamara Timofeevna.* Structural factor in theoretical geology to methodological aspects
DOI 10.24412/2949-4052-2023-4-12-23 12
- Kislov Evgeny Vladimirovich, Kislov Andrey Evgenievich, Bazarova Larisa Dashidondokovna.* Natural monuments of the projected geopark “Valley of Selenga”
DOI 10.24412/2949-4052-2023-4-24-51 24
- Kotenev Yuri Alekseevich, Khalikov Almir Nailevich, Shabrin Nikita Vladislavovich, Chibisov Alexander Vyacheslavovich.* Assessment of hydrodynamic interaction of wells and waterflooding efficiency based on geological field data
DOI 10.24412/2949-4052-2023-4-52-68 52
- Kotenev Yuri Alekseevich, Chilikin Viktor Maksimovich, Klimin Ruslan Valerikovich.* Geological and field criteria for differentiation of residual oil reserves and methods for their development
DOI 10.24412/2949-4052-2023-4-69-82 69
- Panina Olga Vladimirovna, Dontsova Olga Leonidovna.* Identification of the oil and gas potential features of productive formations of the Ozek-Suat field in the East Pre-Caucasus oil and gas region
DOI 10.24412/2949-4052-2023-4-82-98 82
- Popkov Vasily Ivanovich, Popkov Ivan Vasilievich, Dementyeva Irina Evgenievna.* The role of deep fluids in the formation of hydrocarbon reservoirs in the Triassic deposits of the Scythian-Turanian platform
DOI 10.24412/2949-4052-2023-4-99-112 97
